How Beautiful

Fem:
How beautiful the hands
that served
The wine and the bread
and the sons of the earth
How beautiful the feet
that walked
The long dusty roads and
the hill to the cross

Mix:
How beautiful, how
beautiful, how beautiful
Is the body of Christ

Male:
How beautiful the heart
that bled
That took all my sin and
bore it instead
How beautiful the tender
eyes
That choose to forgive
and never despise

Mix:
How beautiful, how
beautiful, how beautiful
Is the body of Christ

Mix:
And as he lay down his
life,
We offer this sacrifice

That we will live just as he
died
Willing to pay the price
Willing to pay the price

Male:
How beautiful the feet that
bring, The sound of good
news and the love of the
King

Fem:
How beautiful the hands that
serve, The wine and the bread
and the sons of the Earth

Mix:
How beautiful, how beautiful,
how beautiful
Is the body of Christ

Communion 2
COME SHARE THE LORD

Verse 1 (i)
We gather here in Jesus' name. His love is burning in our hearts like living flame. For through His loving son, the Father makes us one. Come take the bread, come drink the wine, Come share the Lord.

Verse 2 (ii)
We'll gather soon where angels sing, we'll see the glory of our Lord and coming King. Now we

anticipate the sfeast for which we wait. Come take the bread, come drink the wine, come share the Lord.

Verse 3 (iii)
For He will feed us with His presence here. This bread and wine will do us good. Our deepest hungers He will satisfy. For he is life and peace and rest and drink and food.

Verse 4 (iv)
He joins us Here. He breaks the bread. The Lord who pours the cup is risen from the dead. The one we love the most, is now our gracious heart. Come take the bread, come drink the wine, come share the Lord.

Verse 5 (v)
No one is a stranger here, everyone belongs. Finding our forgiveness here, we in turn forgive all wrongs. We are now a family, of which the Lord is head. Though unseen he meets us here in the breaking of the bread.

Recessional (special)
MUSIC OF THE NIGHT
[PHANTOM OF THE OPERA]
Soloist: Lorraine Suteja

Verse 1 (i)
Nighttime sharpens, heightens each sensation
Darkness stirs and wakes imagination
Silently the senses abandon their defenses

Verse 2 (ii)
Slowly, gently, night unfurls it's splendor
Grasp it, sense it, tremulous and tender
Turn your face away from the garish light of day
Turn your thoughts away from cold, unfeeling light
And listen to the music of the night

[Refrain]
Close your eyes and surrender to your darkest dreams
Leave all thoughts of the life you knew before
Close your eyes, let your spirit start to soar
And you'll live as you've never lived before

Verse 3 (iii)
Softly, deftly music shall caress you
Hear it, feel it secretly possess you
Open up your mind, let your fantasies unwind

In this darkness that you know you cannot fight
The darkness of the music of the night

[Refrain 2]
Let your mind start a journey through a strange new world
Leave all thoughts of the life you knew before
Let your soul take you where you long to be!
Only then can you belong to me

Verse 4 (iv)
Floating, falling, sweet Intoxication
Touch me, trust me, savor each sensation
Let the dream begin, let the darker side give in
To the power of the music that I write
The power of the music of the night!
You alone can make my song take flight
Help me make the music of the night
